

Universal Travel: Terms of Service

Welcome to Universal Travel, your one-stop agency for galactic adventures! By booking with us, you agree to the following:

1. Travel Risks

Space is unpredictable. We're not liable for wormhole delays, accidental time travel, or alien abductions (return within 72 hours, please).

2. Luggage Rules

One (1) carry-on only. No sentient luggage, uncontained anti-matter, or quantumly unstable substances.

3. Delays & Refunds

Wormhole issues? Pirate attacks? Refunds are available for destroyed destinations or space kraken attacks (proof required).

4. Passenger Behavior

- Don't fight over window seats. Everyone gets a view.
- No hacking the navigation to visit your ex's moon base.
- Feed gremlins responsibly.

5. Cancellations

Cancel 48 hours before launch to avoid a "Last-Minute Panic" fee. No refunds for no-shows or spontaneous black holes.

6. Complaints

Submit complaints in triplicate to Nebula-9. Responses depend on wormhole traffic.

Thank you for choosing Universal Travel—your next adventure is just a lightyear away!
